"We weren't quite sure what type, brand or price of motor home we wanted, we just knew we were ready to move into the motorized world of recreational vehicles. With so many styles and brands, it was a little confusing until we stopped by a **Newmar Corporation** dealership. When we found out how many different brands, types, and price ranges they had to offer, we knew we had found a one-stop place to shop"

"We trust the **Newmar** name for quality and service and with their endless selection of motorhomes, we knew we couldn't go wrong. All their motorhomes are carefully designed by knowledgeable and experienced engineers who are seasoned campers themselves and understand exactly what today's motorhome enthusiast needs *and* wants. They have a motorhome to fit any situation and budget. **Newmar Corporation** truly is Technology Surrounded by Tradition. Our only remaining problem is trying to decide which of these great coaches we'll drive away in."

Quality is #1 at Newmar Corporation, and our "Personal Touch" inspection of all products will insure you of that high quality before any RV ever leaves our plant!
