PULLOUT FAUCET

The kitchen sink's single-lever faucet has a pullout spout for easier use. The sink itself is undermounted and comes with flush-fitting solid-surface covers to match the countertop.

WASHER/DRYER

This optional space- and energy-saving washer/dryer combo will help keep your clothing fresh and clean throughout your travels.

WISHING ON A STAR DOES HAVE ITS REWARDS.

We know you've thought it: Ah, if only fine RV living came at a price more within reach. Well, at Newmar, we've done something about that. You've got your wish in the dazzling Kountry Star. What's dazzling about it is its simple beauty, the care of its craftsmanship and the range of its amenities, all of which look like they'd cost a fortune—but don't. Of course, that's exactly what makes the Kountry Star a Newmar, through and through. It's a reflection of all we've learned about value, and you get to bask in the glow. So, is wishing on a star really worth your while? Depends on which star you wish upon.

A RESTFUL NIGHT

Kountry Star bedrooms feature redesigned cabinetry to accommodate a second satellite receiver and the optional washer/dryer combo. The lavatory countertops feature Gemstone bowls and provide an added touch of refinement.

SPACIOUS LIVING

With its 84-inch ceiling height and expansive slideouts, Kountry Star gives you plenty of room for large-scale living wherever you roam.

TAKE COMMAND...IN COMFORT.

Kountry Star's Flexsteel® Ultra Leather cockpit seats provide an added level of comfort with six-way power adjustment, power lumbar and Ergo-Flex arms. A one-piece windshield is now standard.

EXTERIOR ENTERTAINMENT

A popular option, this enclosed entertainment system includes an LCD flatscreen color TV mounted on a swing-out arm, an AM/FM stereo with a CD player and two speakers.

PASS-THROUGH STORAGE

Stow all your favorite travel gear—from either side of the coach—in this huge exterior pass-through compartment. Side-hinged swing-out doors give you easy access, as do the optional slideout trays.

CONVENIENCE ABOUNDS

The Kountry Star's redesigned bed base opens to reveal a storage box that can accommodate the dinette's folding chairs.

NEW EXTERIOR GRAPHICS

This year's more richly detailed Full-Paint Masterpiece Finish™ exterior graphics give the Kountry Star an even sleeker, bolder look.

NEWMAR TOTAL COMFORT™ CENTRAL AIR CONDITIONING

Experience RV air conditioning just like that found in site-built homes. Newmar's Total Comfort Central Air Conditioning is actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.

PROTECTED C-CHANNELS

To keep the electrical wiring that runs through holes in the aluminum-frame C-channels from chafing, each hole is ringed with a rubber grommet.

SIKAFLEX®

Used throughout Newmar construction, Sikaflex® elastic adhesive is one of the strongest bonding agents on the market today. It also serves as a sealant against air and water. And it helps dampen both sound and vibration.

16" ON-CENTER FRAMING

Just like a fine site-built residential home, your Newmar home is framed 16 inches on center, which allows the best placement of outlets, switches and other components.

FULL-PAINT MASTERPIECE FINISH™

Newmar's Full-Paint Masterpiece Finish raises the exterior beauty and durability of our motorhomes to a whole new level. This model year, we're offering our richest-looking graphics ever—to lend even more character and class. As industry leaders in applying full body paint to motorhome coaches, we at Newmar are pleased to offer the Full-Paint Masterpiece Finish as a Kountry Star Diesel Motorhome standard.

DETAILS, DETAILS, DETAILS. Go ahead. Get close. Real close. You'll see that this motorhome's comfort and styling aren't superficial: They're built into the very weave of our fabrics, the very grain of our cabinets and every nook and cranny you might want to scrutinize. After all, it's details that make the Newmar difference.
