WHY NEWMAR

Every Newmar coach is crafted with purpose, tailored to you, and backed by unwavering support. This relentless pursuit of excellence shapes everything we do. From the precision of our engineering to the responsiveness of our service. From the innovation in our designs to the personalization that honors our customer's vision.

PRODUCT FEATURES

STAR Foundation

Your foundation for confidence begins with stability. The exclusive STAR Foundation delivers both strength and serenity through its precisely engineered steel superstructure. Carefully welded to every luxury chassis, you'll experience a ride that's both quiet and more stable.

Residential Build

At Newmar, we craft every coach with the same proven techniques used in quality residential construction. Strong, layered sidewalls pair with precisely placed C-channel aluminum studs set 16 inches on-center, while a robust truss-built roof protects your investment for the long haul. Inside, premium flooring adds stability and comfort, and durable aluminum-framed windows are built to stand the test of time, coming together to deliver a coach made to last.

Masterpiece Finish™

Every Newmar coach is finished with our Full-Paint Masterpiece Finish™, an industry-exclusive process crafted with premium BASF paints and applied entirely within our own 45,000-square-foot paint facility by skilled Newmar artisans. We were the first RV manufacturer to offer full-body paint across every model we build—a testament to our unwavering commitment to quality and our belief that your motorhome should be as beautiful on the outside as it is welcoming on the inside.

NEWMAR SERVICE

At Newmar, we deliver a seamless service experience designed to get you back out on the road as soon as possible. It's all about providing you with an uncompromising service experience from the day you take delivery of your new home on wheels.

SERVICE FEATURES

Personal Service Tech

The Newmar Service Center offers personal service technicians and the ability to camp onsite with full hookups, receive in-depth education, use private workstations, visit with other Newmar owners in our lounge, and enjoy convenient laundry facilities along with dedicated pet lounges and a pet park.

Seamless Service

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.
