

2027 MOUNTAIN AIRE

ADVENTUROUS. LUXURIOUS. DEPENDABLE.

WHY MOUNTAIN AIRE

Experience luxury without limits in the 2027 Mountain Aire, where power, size, and premium amenities come together to elevate every journey. Featuring the only 525-horsepower Cummins® diesel engine in its class and Comfort Drive™, this coach delivers confident performance and exceptional control—even in places others cannot go. The exclusive 38' passive tag axle adds outstanding stability in a more manageable footprint, proving that downsizing never means sacrificing space, comfort, or style. Built with Newmar's proven construction, the Mountain Aire lets you relax, entertain, and travel with confidence wherever the road takes you.

NEW FEATURES FOR 2027

- + **Kitchen and Bath Customizations:** backsplashes, sinks, plumbing fixtures, and cabinet hardware
- + **Electrical Customizations:** interior and exterior outlet placement and custom wiring runs based on preference

WHY NEWMAR

Every Newmar coach is crafted with purpose, tailored to you, and backed by unwavering support. This relentless pursuit of excellence shapes everything we do. From the precision of our engineering to the responsiveness of our service. From the innovation in our designs to the personalization that honors our customer’s vision.

PRODUCT FEATURES

STAR Foundation

Your foundation for confidence begins with stability. The exclusive STAR Foundation delivers both strength and serenity through its precisely engineered steel superstructure. Carefully welded to every luxury chassis, you'll experience a ride that's both quiet and more stable.

Residential Build

At Newmar, we craft every coach with the same proven techniques used in quality residential construction. Strong, layered sidewalls pair with precisely placed C-channel aluminum studs set 16 inches on-center, while a robust truss-built roof protects your investment for the long haul. Inside, premium flooring adds stability and comfort, and durable aluminum-framed windows are built to stand the test of time, coming together to deliver a coach made to last.

Comfort Drive™

The freedom of the open road deserves control that matches your confidence. Standard on every diesel pusher and luxury model, Comfort Drive™ with Passive Steer technology puts car-like handling at your fingertips—because your journey should be defined by discovery, not compromise.

Masterpiece Finish™

Every Newmar coach is finished with our Full-Paint Masterpiece Finish™, an industry-exclusive process crafted with premium BASF paints and applied entirely within our own 45,000-square-foot paint facility by skilled Newmar artisans. We were the first RV manufacturer to offer full-body paint across every model we build—a testament to our unwavering commitment to quality and our belief that your motorhome should be as beautiful on the outside as it is welcoming on the inside.

NEWMAR SERVICE

At Newmar, we deliver a seamless service experience designed to get you back out on the road as soon as possible. It's all about providing you with an uncompromising service experience from the day you take delivery of your new home on wheels.

SERVICE FEATURES

Personal Service Tech

The Newmar Service Center offers personal service technicians and the ability to camp onsite with full hookups, receive in-depth education, use private workstations, visit with other Newmar owners in our lounge, and enjoy convenient laundry facilities along with dedicated pet lounges and a pet park.

NewServ Mobile

With NewServ, our technicians come to you for routine maintenance. Services like appliance fixes, water pump maintenance, and more are available in Southern California, Arizona, and Central Florida. To schedule your appointment, call 800-731-8300.

Newgle for Product Knowledge

Explore Newgle—our free online knowledge base—packed with information straight from Newmar, as well as our component manufacturers and suppliers.

Dedicated Brand Specialists

Newmar Service Account Managers, otherwise known as Brand Specialists, provide dealer warranty service authorizations within four business hours, and ship all in-stock parts the same day, via free ground shipment. And if a part is out of stock, they'll either pull it from the production floor or order the part from the appropriate supplier immediately.

GLOSSARY

- + **GAWR:** Gross Axle Weight Rating is the maximum permissible weight for an axle.
- + **GVWR:** Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.
- + **GCWR:** Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.
- + **UVW:** Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil, and coolants. Does not include cargo, fresh water, propane gas, or dealer-installed accessories.
- + **NCC:** Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.
- + Specifications supplied by the chassis manufacturer.

OUR PARTNERS

THE NEWMAR DIFFERENCE™

The Newmar Difference™ begins with suppliers dedicated to providing our customers with unrivaled quality, comfort, and support. We only work with suppliers that are dedicated to providing our customers with unrivaled innovation, comfort, and reliability. It's all so you can experience best-in-class performance from names you can trust. At Newmar, that's our difference, and our promise.

BASF

The Coatings division of BASF is a global expert in the development and production of innovative and sustainable OEM and refinish coatings. Coatings by BASF—solutions beyond your imagination.

Freightliner® Custom Chassis

Freightliner® Custom Chassis are renowned for their exceptional ride, excellent maneuverability, advanced technology, and nationwide 24/7 factory-direct support.

Spartan® RV Chassis

An American company with over 40 years of experience in designing and manufacturing the premier motorhome chassis, Spartan® delivers superior performance, exceptional safety ratings, and industry-leading technology.

Industrial Finishes

Industrial Finishes has supported RV manufacturers for over four decades, offering paint products that deliver uncompromising quality and provide your coach with a true Masterpiece™ finish.

RiverPark

From Samsung® 4K TVs and Xite Infotainment systems to Bose® soundbars and JBL and Infinity premium audio systems, RiverPark helps ensure you enjoy the ultimate audio-visual technology in your Newmar coach.

THE NEWMAR CUSTOMER EXPERIENCE

The Newmar Difference™ goes beyond our industry-leading motor coaches to provide you with an unrivaled ownership experience.

Crafted with Purpose

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. Each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

The Highest Standards

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

Built Around You

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

More Than a Number

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

Seamless Service

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

Without Compromise

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform. Ask your Newmar dealer for more details.
