# THE NEWMAR CUSTOMER EXPERIENCE

The Newmar Difference™ goes beyond our industry-leading motor coaches to provide you with an unrivaled ownership experience.

## Crafted with Purpose

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. Each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

## The Highest Standards

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

## Built Around You

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

## More Than a Number

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

## Seamless Service

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

## Without Compromise

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform. Ask your Newmar dealer for more details.
